Home
Ownership

- The Hispanic and Asian population are the fastest growing population in the country.
- In the next decade, more than 60% of all first time home buyers in United States will be Hispanic, Asian and African American.
- Are you in sync with the knowledge of these cultures to bring your business to the next level?
- In this presentation and among other title and escrow matters, you will learn how to increase homeownership in the diverse customer base.
- Understand the cultural issues that may arise in such transactions, inclusive of some practical tips on serving your Hispanic & Asian home buyers and sellers.
